Subject: A Successful Earth Day at Horner Park!

Dear Frankie,

I would like to thank you and the N.W. Little League for your wonderful participation at Horner Park this past Saturday. Kids, families and coaches really put forth a whole heart effort. You guys were terrific! The park clean-up is most appreciated. Our tree mulchers also did a fine job. I hope everyone had as much fun as I did. Perhaps, we can join forces again next year to make Earth Day something memorable for everyone. By the way, we are posting photos on the Horner Park Website soon. They will be worth a look.

Wishing you all a fun and healthful Baseball season.

Thank You, again,

Theresa Hicks
